

STRATEGIC OBJECTIVE

4

MCPS will annually secure and allocate financial resources to responsibly sustain and grow the technology initiative

- a. Annually assess stakeholder needs in relationship to current technology and available resources.
- b. Annually assess the effectiveness of our technology initiative through the district's performance in relationship to the Seven Keys.
- c. Ensure the sustainability of initiative through cost-effective purchasing and maintenance plans.
- d. Continued optimization of infrastructure to support technology initiative.

Key Performance Indicators:

- Annual Budget Approval
- Annual Technology Investments
- Stakeholder Engagement Surveys
